We are opening our withdrawal offer to Unitholders in the GPS Invest Pooled Fund ("the Fund") for the following dates:

Open Date: 3rd November 2025; and
Close Date: 28th November 2025 5pm (AEST)

Post: Reply paid 2252, BRISBANE, QLD, 4001; or
Email: info@gpsinvest.com.au.

The offer will open on the Open Date and will close on the Close Date. Incomplete withdrawal Request Forms, or forms received after the Close Date, will not be accepted. We reserve the right to cancel the withdrawal offer, close the offer early or extend the period of the offer.

We must receive your withdrawal request before the Close Date if you wish to participate in the withdrawal offer.

How the offer will work

The Fund is expecting to have \$1,000,000 of its net assets as set out in the following available for Unitholders seeking to withdraw:

Existing Cash Holdings	\$1,000,000.00
Maturing Mortgage Investments	Nil
Total	\$1,000,000.00

The total amount available is an estimate only and reflects the amount of money that is expected to be available to satisfy withdrawal requests. The amount actually made available may increase or decrease.

If the withdrawal offer is oversubscribed

The amount of withdrawal requests from Unitholders may exceed the withdrawal offer amounts outlined above, and therefore the offer may be oversubscribed. In this event, we will reduce the requested withdrawal amounts on a pro rata basis, consistent with the requirements of the Corporations Act 2001 (Cth) ("the Act").

The amount paid to Unitholders would be calculated as follows:

Amount of funds available multiplied by the amount a Unitholder requested to withdraw divided by the total of all amounts Unitholders requested to withdraw.

For example only:

The Fund makes a withdrawal offer of \$500,000
A Unitholder requests a withdrawal of \$30,000
The total of all withdrawal requests is \$600,000
The investor would receive \$25,000 - (i.e., $\$500,000 \times (\$30,000 / \$600,000) = \$25,000$)

Note: The above example is purely illustrative and not indicative of, or a forecast or guarantee of, the amount received on acceptance of any withdrawal offer. The actual amount a Unitholder will receive from any withdrawal offer made will depend on the amount made available by the Responsible Entity and the total amount sought to be withdrawn by all Unitholders in the Fund.
